

COVID19 ACCESS TO VACCINATION CENTRES

As the Covid @9 vaccination programme gathers pace, there may be some residents in Wield who having received a letter informing them of their eligibility for a Covid19 vaccination (and the date time and location of the nearest vaccination centre) are unable to make their own way to the appointment. There may also be drivers prepared to offer their services.

1. Those needing Transport. If you need help getting to a vaccination centre please contact Roland Richardson (Wield Parish Council) - details below.

2. Drivers.

- Any resident drivers who are prepared to volunteer their services using their own car to/from vaccination appointments are requested to inform Roland Richardson ("details below).
- Check car insurance. Many car insurance companies permit such use of vehicles without extra charge etc
