

**COMMUNITY INFRASTRUCTURE LEVY (CIL)**  
**Funding Report For Wield Parish Council**

The Community Infrastructure Levy (CIL) is a levy that local authorities can charge on developments in their area. CIL income can be used to fund additional infrastructure required to support new development including roads, schools, green spaces and community facilities.

**What can neighbourhood funding be spent on?**

The neighbourhood portion of the levy can be spent on a wider range of things than the rest of the levy, provided that it meets the requirement to ‘support the development of the area’ (see [regulation 59C](#) for details).

If a parish, town or community council does not spend its levy share within 5 years of receipt, or does not spend it on initiatives that support the development of the area, the charging authority may require it to be reimbursed.
