

## WIELD EDUCATIONAL TRUST

Charity No 2889444

Each child who has lived in Wield for more than six months and is in full time education from primary school to their nineteenth birthday may apply for one book, not audio or boxed collections up to the value of £30.00. If the desired book is more expensive the family must pay for the difference. The books will be purchased from Waterstones so you can use their website to search online or visit one of their shops or any other source.

When your book has arrived, you will be informed.

### HOW TO APPLY:

Please fill in the form giving the ISBN Number, Title, Author and the Price of both your first and second choice book. Please use a separate form for each child giving as much information as you can.

Return the form/forms to Claire Hutchinson, Field House, Upper Wield.
